J. G. FAIR DEAD.

HE BREATHES HIS LAST AT 12:20 FRIDAY NIGHT.

San Francisco, Cal., Dec. 29.—Ex-Senator James G. Fair died yesterday at the Lack House at 12:20.

Senator Fair has been in poor health for some time suffering from asthma. A few days ago he caught cold while going out in a rainstorm to view some of his property improvements at North Beach. The cold did not apparently affect his lungs, but settled in his kidneys. This evening he was feeling better than for the past few days, and his death was entirely unexpected.

Senator Fair was about 61 years old. His death was due to a complication of kidney and stomach troubles. His only son, Charles G. Fair, whom he disinherited about a year ago, was with his father at the time of his death, a reconciliation having been effected a short time ago.

Senator Fair was born in Ireland and was an ex-United States Senator from Nevada. He made his fortune on the Comstock lode, and was a member of the famous Bonanza firm of Flood, Mackay, Fair and O'Brien. He largely increased his wealth by investments in San Francisco and California real estate, and his fortune is estimated at \$20,000.

Terrible if True.

Klamath Falls, Oreg., Dec. 29.—News has just reached here that a most horrible holocaust occurred at Silver Lake, Lake county, Oregon, on Christmas Eve, in which 41 people were burned to death and 16 badly injured, five of whom will die.

A large crowd had assembled in Christmas Bros., Hall to attend a Christmas tree. While the festivities were at their height some one climbed on a bench from which point he expected to get a better view of what was going on. In doing so his head struck a lamp hanging from the ceiling, overturning it. The oil immediately caught fire, and everything in the room being dry and of an inflammable nature, the room was soon a mass of flames.

Some one shouted: "Shut the door and keep quiet. It can be put out." By this time the confusion was so great that people began scrambling in a wild endeavor to reach the door. Women and children were trampled under foot, and as there was only one exit to the hall, and the fire being between the majority of the crowd and the door, many people rushed headlong into the flames.

The building was a two-story frame structure which contained Christmas Bros., store on the first floor, and on the second was the hall which was rented for gatherings of all kinds. Silver Lake is a small village in Lake county of about 100 inhabitants, and is 150 miles from the nearest telegraph office.

Humboldt Wins.

In the case of Humboldt vs. Lander county, in dispute over a strip of land through which the S. F. runs, the taxes being the issue, Humboldt county brought action to establish a boundary line between the two counties.

The suit has been decided in favor of Humboldt county. Upon appeal the Supreme Court reversed the decision of the case, and sustained the demurrer, on the grounds that the courts have no jurisdiction to settle the disputes of lines between counties.
